

**Simplify Key Business Functions with  
Our State-of-the-Art Enterprise Booking Solutions**

**trawex**<sup>®</sup>  
Earth's Travel Technology Platform

Trawex provides cutting edge high-performance reservation and distribution platform designed to give travel businesses an edge in today's highly competitive and rapidly evolving market.

**Multi-currencies and Multilingual** supports in our system that is beneficial to expand your business all over the globe. You can sell your products to user residing in different countries with the help of multilingual and multi-currency travel portal.

**Mobile Friendly** support system allows your customers to directly book on your websites, from anyplace, at any time. we build a mobile-friendly website that accepts bookings from any device thus you don't miss out any leads.

**Better Efficiency**, we follow agile development methodology and daily communication to keep status, transparent and on track so that all bottlenecks are discussed, and immediate remedial actions are taken, which reduces any gaps & generate better efficiency.

**Personalization** is another key factor in reaching more audience and driving sales. This allows travel businesses to learn their users' travel patterns and offer the right deals and discounts increasing their probability of locking sales.

**Real-Time Booking** allows customers to choose when and where you will offer specific reservations. Though customers can book these tours and reserve your services when it is suitable for them, and they receive quick confirmation of their reservation.

**Multiple Product** supports Flights, Hotels, Packages, Sight-seeing, Transfers, Car hire, Flight + Hotel, Dynamic Packaging. Integrate content from varied sources and make them available along with an integrated self-booking portal.

**Manage your Business and Streamline Operations** automates manual tasks such as email confirmations, tracking, and reporting which simplifies processes and unlock greater business execution, system integration, and standardization.

**Increase Distribution** by integrating your inventory to more distribution channels, creating reseller logins so they can book directly and by creating your own marketplace for partnerships and promotions.
