Travel Technology Segment**

**trawex**<sup>®</sup>  
Earth's Travel Technology Platform

Whether you are a cruise specialist or wish to add cruise to your travel offerings, our technology offers the best way to maximize selling opportunities and take advantage of the opportunities offered by the expanding cruise market.

**Revenue Management Tools** allow you to profit margin or reduction of the selling price rates quickly and easily through the website, cruise line, ship, cabin class, itinerary, dates and more ...

**Fare Code Management** features allow you to offer special fare types, including group spaces that can be sold online if supported by the cruise line.

**Affiliates and Distribution Network** features will allow you to quickly add affiliate users and websites that can easily customize each look and feel including headers, footers, style sheets, email addresses and company name.

**Mobile-Friendly** application using responsive innovative technology that automatically adjusts the layout order view is based on the type of device used.

**Dynamic Inventory and Pricing Management** ensure synchronization between demand and supply through advanced, interactive digital dashboards that provide real-time response and instant updates.

**Multiple Selling Channels** can be managed easily with a single application. Ready to help any size business, our cruise booking system are designed to easily set up additional users and affiliated websites.

**Distribution Made Easy** Trawex enhances the technology and systems you already have in place to create comprehensive and efficient cruise distribution through a network of dedicated travel agents.

**Reports and Analysis** easily analyze your business and confidently take every business decision as you get to know every detail with multiple report modules.

# About us

Trawex is an international travel technology company and tailor-made software solutions provider that works with (B2B, B2C, B2B2C) travel companies across the globe. It enables you to stand out in the marketplace and drive the changes in the sector, be independent and have the power to enable your own strategy. We serve travel companies from 50+ countries across four continents. Trawex platform is powered by 100+ suppliers across, flight, hotels, car, sightseeing, vacations and other ground services providing travel technology solutions to travel agencies, B2B wholesale companies, tour operators and DMC Companies.

Trawex offers inventories from multiple GDS and consolidators, which can be combined together into one comprehensive system. Along with this, we also offer a competitive solution for your business partners to enable their users to book an exceptional range of travel services. Our dynamic packaging solution enables your customers to build their own package of flights, accommodation, and car rental. Whether you are just starting a travel agency or a multinational travel enterprise, we have several product bundles available.

Trawex is a leading travel technology company, which provides cruise booking software and reservation software to the travel agents & travel companies worldwide. Trawex provides a comprehensive set of solutions that enables end-to-end processes (from planning to operational accounting) of cruise companies. Our web-based B2B, B2C and B2B2C Cruise Booking Engine designed to automate processes, grow revenues and reduce the time and effort required to complete a cruise booking. Our cruise booking system empowering you to easily search, sell, book, and manage cruise vacations - all in one system.

At Trawex, we strive for innovation that can enable cruise companies to provide a tailored experience capable of adapting to their customers' expectations. Our solution is a flexible and versatile platform that meets the end-to-end requirements of a travel company, especially those of travel intermediaries. As the travel industry pivots towards convergence, cruise companies continually face the need to be more differentiated, customer-focused, flexible, and intelligent in order to be total vacation providers. Whether you are a global, regional, ocean, river or a niche, we can help transform your business and make it future-ready.

Complete Travel technology products and customizable solution provider that works with (B2E, B2B, B2C, B2B2C) online travel companies worldwide.

We strive to find customer centric approach and build long-lasting, mutually beneficial relationships with our clients.
