About us

Trawex is an international travel technology company and tailor-made software solutions provider that works with (B2B, B2C, B2B2C) travel companies across the globe. It enables you to stand out in the marketplace and drive the changes in the sector, be independent and have the power to enable your own strategy. We serve travel companies from 50+ countries across four continents. Trawex platform is powered by 100+ suppliers across, flight, hotels, car, sightseeing, vacations and other ground services providing travel technology solutions to travel agencies, B2B wholesale companies, tour operators and DMC Companies.

Trawex offers inventories from multiple GDS and consolidators, which can be combined together into one comprehensive system. Along with this, we also offer a competitive solution for your business partners to enable their users to book an exceptional range of travel services. Our dynamic packaging solution enables your customers to build their own package of flights, accommodation, and car rental. Whether you are just starting a travel agency or a multinational travel enterprise, we have several product bundles available.

Trawex has been integrated 50+ (and counting) hotel wholesalers to our system, allowing your direct customers and agents to perform just one search, and instantly access the inventory of multiple suppliers. It's quick and efficient because we also mapped the information of our suppliers leading to no content duplication. Absolutely you don't have to contract any suppliers. If required, According to the nature of the organization, business size, and financial capability to establish NET Rate agreements- we consult on the most optimal combination of suppliers that will suit you, and introduce you to the right suppliers for quick turnaround.

Whether you are looking for Net or Gross hotel suppliers, we can offer you a wide selection of both. Net suppliers provide you the possibility to control your gross and mark up rates, redistribute products over agent network and earn 15-30% on each booking. With several multiple suppliers connected giving you a chance to constantly expand your offering. Found an interesting wholesaler you wish to work alongside? We'll have him integrated immediately in addition to the inventory we offer !

Complete Travel technology products and customizable solution provider that works with (B2E, B2B, B2C, B2B2C) online travel companies worldwide.

We strive to find customer centric approach and build long-lasting, mutually beneficial relationships with our clients.
