

**The Leading Travel Technology  
Platform for travel brands**

**trawex**<sup>®</sup>  
Earth's Travel Technology Platform

Trawex digital platform brings seamless personalization, automation, and service, elevating every transaction and delivering the best for our customers.

**Mark-Up Management Tool** can help you expand profit margins from transfers. Your customers will have the potential to choose shared or private transfers and the vehicle type.

**Easy Booking Engine** is available 24/7, allowing customers to do easy reservations whenever they want, no matter what time zone they are located in.

**Keep Track**, of your customer information in a safe and secure way. No sharing data with third party systems and simple access to important customer details.

**Expand Your Reach** with distribution channels, sell your transfers via Online Travel Agents and let us streamline booking management, making it easier for you to grow your distribution.

**Tailor-Made Software** allows easy modifications and cancellations, along with remarks & special standards. Trawex aims to create an all-in-one booking engine that allows the desired customization in your vacation packages and itinerary management.

**Reform Business Processes** allows a travel organization to optimize performance and improve efficiency. With our all-in-one booking solution, you can centralize the management of your company and grow without limits.

**Reports** will give you a deep insight into how your online business is running so you can devise plans for growth. Reports can be generated on a daily basis or at specific intervals.

**Great Cross-Sell Opportunities** by allowing your clients to book transfers along with flights, hotels and other products you have in your inventory.

# About us

Trawex is an international travel technology products and tailor-made software solutions provider that works with (B2B, B2C, B2B2C) travel companies across the globe. It enables you to stand out in the marketplace and drive the changes in the sector, be independent and have the power to enable your own strategy. We serve travel companies from 50+ countries across four continents. Trawex platform is powered by 100+ suppliers across, flight, hotels, car, sightseeing, vacations and other ground services providing travel technology solutions to travel agencies, B2B wholesale companies, tour operators and DMC Companies.

Trawex offers inventories from multiple suppliers, which can be combined together into one comprehensive system. Along with this, we also offer a competitive solution for your business partners to enable their users to book an exceptional range of travel services. Our dynamic packaging solution enables your customers to build their own package of flights, accommodation, and car rental. Whether you are just starting a travel agency or a multinational travel enterprise, we have several product bundles available.

Transfer booking solutions are gaining popularity with online travel booking websites, since this product goes hand-in-hand with hotel and flight booking engines commonly used in the industry. Trawex also provides you the option to manage your own inventory of transfer suppliers in selected destination regions. By offering your clients a complete set of travel services you increase the customer loyalty in the future and are less likely to lose a client to your competitors. Trawex clients can earn more commissions via dynamic mark-up management tool, which provides an opportunity to increase profit margins from car rentals by 100%.

Complete Travel technology products and customizable solution provider that works with (B2E, B2B, B2C, B2B2C) online travel companies worldwide.

We strive to find customer centric approach and build long-lasting, mutually beneficial relationships with our clients.
