

trawex[®]
Earth's Travel Technology Platform

The Leading Travel Technology Platform for travel brands

White Label Travel Website Solution | B2C and B2B Travel Portal

The Choice of white labeling gives you the list of product options for your business. With Trawex, you can choose from many options what kind of product to have, which are the features you prefer or what kind of design best suits your business identity.

High Levels of Customization based on the requirement of the travel agents which help them to book the tickets and other services depending upon the needs of customers.

Personalize Your Brand as per your requirements with Trawex white labeling. It will allow you to develop your own platform, set your own pricing, and also advertise your brand as you like without spending much time on development.

Easily Track Activities enables you to quickly track and manage the full spectrum of your corporate travel activity. Trawex real-time reporting lets you rapidly click and deploy reports on business performance analytics across the entire business.

Easy Drag-and-Drop helps to easily create websites that are supported on all browsers and devices, using an advanced, straightforward and convenient user interface.

Efficient Administration can sell effectively, provide information and enable bookings at the clients' convenience. Thus, it helps an organization to run professionally and smoothly.

Fully Customizable Solutions helps to meet your requirements, technology, and tools to take your business to the next level. With Trawex technology, operations, and support, you can generate long-term profits consistently.

Full Transparency provides a way to showcase information about the business's goals, history, performance, and operations, thereby creating a connection between the brand and the consumer. Thus, access to wholesale prices and beats the competition every time.

About us

Trawex is an international travel technology products and tailor-made software solutions provider that works with (B2B, B2C, B2B2C) travel companies across the globe. It enables you to stand out in the marketplace and drive the changes in the sector, be independent and have the power to enable your own strategy. We serve travel companies from 50+ countries across four continents. Trawex platform is powered by 100+ suppliers across, flight, hotels, car, sightseeing, vacations and other ground services providing travel technology solutions to travel agencies, B2B wholesale companies, tour operators and DMC Companies.

Trawex offers inventories from multiple suppliers, which can be combined together into one comprehensive system. Along with this, we also offer a competitive solution for your business partners to enable their users to book an exceptional range of travel services. Our dynamic packaging solution enables your customers to build their own package of flights, accommodation, and car rental. Whether you are just starting a travel agency or a multinational travel enterprise, we have several product bundles available.

The primary objective of the group of experienced professionals at Trawex is to streamline your processes, respond quickly to varying customer requirements to deliver solutions of unbeatable quality. Our strength lies in offering high-end software consultancy and turnkey solutions to our global customers. We are committed to developing core competencies, providing a stimulating work environment and have a process orientated structure.

Trawex White Label Integration is the perfect turnkey solution for any travel company that would like to distribute hotel, rental car, flight and vacation package products through their website. It makes connections to multiple product sources for rates and availability directly on your website easier than ever before. Implementing our White Label technology on your website allows you to be a full-service online travel agency. We can customize your travel website to meet every customer's unique needs. We will adapt our system to fit your brand and will give you all the support you need to integrate your website with the White Label.

Complete Travel technology products and customizable solution provider that works with (B2E, B2B, B2C, B2B2C) online travel companies worldwide.

We strive to find customer centric approach and build long-lasting, mutually beneficial relationships with our clients.
